### SUPPLEMENTAL APPROPRIATIONS

Ms. MIKULSKI. Mr. President, in a few minutes the Senate will consider the supplemental. I wish to say a few words about the issue around AmeriCorps and other issues within the

supplemental. The hour is late, so I will be brief.

The outcome is preordained, but I wish to say the fight will go on. This urgent supplemental does not meet the compelling human needs of the United States of America. The supplemental the Senate is about to pass will replenish the urgent need that FEMA has at only 50 percent of what the Federal Emergency Management Agency needs to be ready for the hurricane season. They need about \$1.6 billion, and there is about \$900 million included.

The supplemental also will not include money for wildfires ravaging the West. It will not include the funds to complete the NASA investigation of what went wrong on Columbia, so NASA will have to forage for funds within their agency. It will not include additional money for AmeriCorps.

I have been waiting and willing to compromise to get the emergency funding for AmeriCorps. I was willing to compromise to save the school-based programs that start in September. I knew I could not save the AmeriCorps ship because of the penny-pinching attitude of the House towards AmeriCorps.

I want to be clear that although the House left town with a take-it-or-leave-it attitude and we had to swallow it, the needs of our community will not go away. The fight will not go away, and I will continue in September to fight for the full funding for AmeriCorps, both in an emergency supplemental and even in the way of the Budget Act, if I have to, in order to get the help for AmeriCorps.

AmeriCorps, because of the clumsy and inept headquarters, overenrolled 20,000 volunteers, but we should not punish those volunteers because of the people at headquarters.

In my home State, Maryland will lose 400 volunteers. Let me tell you what they are: In rural western Maryland, an AmeriCorps program called Star, in which 34 volunteers participate. They serve 6,000 people, meeting the needs of the mountain counties of: Allegany, Garrett, and Washington.

Do you know what they do? They tutor children, they help children to read, and they help them get ready for school. Without these 34 volunteers, over 6,500 people will lose the help they need.

In Baltimore City there are 50 Jump Start volunteers. These are AmeriCorps volunteers who work in Head Start to make sure the kids get a head start. And they also recruit other volunteers. That means, again, there will be over 400 preschoolers who will not get the help they need.

I could go on in these school-based programs. Nationally, 2,700 volunteers, ready to go to work for Teach America, will not be able to go and start in September because we are leaving town without AmeriCorps funding.

I thank Senator STEVENS for trying to help on this program. He understood
